Mr. La Pointe  
you are really  
a sweet guy I don't  
know. I really don't  
know how you could put  
up with me in a class  
waiting. You better be ready  
for me next year in your  
class. Stay as sweet as ya  
are, because I'm still going to  
take you covered at when I turn 18.
