The freshmen float didn't look like much during the building process but it all came together quite nicely. The Homecoming game was against Flint Southwestern the "Knights" so the freshman float showed an Oiler football player burying a Knight. Clever freshmen!

The Home Coming parade showed off all the classes' floats. The freshmen's themed was Fox News and their float placed first in the float building competition.

Mrs. Lafleur's freshmen gym class enjoys a nice friendly game of volley ball. They also played bad mitten, basket ball, tennis, floor hockey and much, much more!
